## SKOGSBERG & SMART

Skogsberg & Smart is a dynamic, innovative luxury goods company specialised in creating bespoke home accents. Founded in 2008 with the launch of the signature hand-blown Hurricane Lamp, Skogsberg & Smart has since created a number of exquisite glass pieces to compliment any sophisticated environment.

The intricate, daring designs are made by highly skilled artisans in the Czech territory of Bohemia, home of the world's most famous glass blowers. All of Skogsberg & Smart's pieces are hand-blown and hand-painted, ensuring that each and every one is unique and original.

The eponymous company is owned by Magnus Skogsberg and Mimmi Smart; with over 30 years of combined creative experience in the advertising and media fields they established Skogsberg & Smart to channel their own ingenuity.

## BOULE COLLECTION

The optic bubbles in Hurricane Boule create a shimmering light with a cool 70's vibe. Available in many different colours, they will add interest to any home.

The bubbles, created in a cast-iron mold, gives each Hurricane Boule its own unique pattern and luxuriously weighty feel.

## BOULE PLATEAU

Hurricane Boule Plateau is yet another example of our exquisite artisan craftsmanship. By organising items on a beautiful tray your home will look less cluttered.

## CRYSTAL COLLECTION

Magnificently cut by skilled craftsmen using Bohemian crystal, this lamp illuminates your home with artful brilliance. The reflection from the shards creates a truly unique light.

Mix it with the other sizes and colours to create a bespoke feel to your home.

## CLASSIC COLLECTION

Hurricane Classic in Silver, Gold and Bronze, are hand-painted in metallic colours which gives the lamp a vibrant and very special transparent glow in lit conditions. Hurricane Classic White are made in opaline glass. They give a warm and soft light when they light in the dark.

Every piece is one-of-a-kind with its own unique variations, creating the most beautiful light possible. The signature fire polished edge gives the lamp its quality trademark.

## ROCK COLLECTION

Hurricane Rock is a combination of industrial design and handicraft. It is inspired by the fantastic rock formation “Lords Rock” in Bohemia. Through a unique process, the colour flows into the crystal clear glass when pressed by hand.
