HURRICANE CLASSIC COLLECTION RETAIL 2021

White/Gold/Silver/Bronze/Rosé

Hurricane Lamps are hand-blown in Bohemia, home to the World's best glassblowers. Every sample is one-of-a-kind with its own unique variations, creating the most beautiful light possible. The 'fire polished' edge gives the lamp an even more personal feeling and the rough edge has become our quality trademark. The lamp is just as stunning during the day as it is during the night.

Hurricane Lamps in Silver, Gold, Bronze and Rosé, are hand-painted in metallic colors. It gives the lamp a vibrant and very special transparent glow in lit conditions.

## HURRICANE CRYSTAL COLLECTION

Crystal collection is our most prestigious lamps in 100% Bohemian crystal, magnificently cut by skilled bohemian craftsmen. Their design of the deep cuts is somewhat anarchic, but playing on the vintage design and formality of cut crystal as we know it. Black crystal is extremely exclusive since its only melted occasional times a year.

## HURRICANE SODA

Hurricane Soda is made by old traditional craftsmanship, by adding sodium carbonate during the manufacturing process, bubbles appears inside the glass. The lamp is completely unique and no lamp is the same as the next. The lamp gets its individual character with many bubbles or just a few, which then form a specific pattern, unique to that one particular lamp.
