## SKOGSBERG & SMART

Skogsberg & Smart is a dynamic, innovative luxury goods company specialised in creating bespoke home accents. Founded in 2008 with the launch of the signature hand blown Hurricane Lamp, Skogsberg & Smart has since created a number of exquisite glass pieces to compliment any sophisticated environment.

The intricate, daring designs are made by highly skilled artisans in the Czech territory of Bohemia, home of the world's most famous glass blowers. All of Skogsberg & Smart's pieces are hand blown and hand painted, ensuring that each and every one is unique and original.

The eponymous company is owned by Magnus Skogsberg and Mimmi Smart; with over 30 years of combined creative experience in the advertising and media fields they established Skogsberg & Smart to channel their own ingenuity.

## CLASSIC COLLECTION

Hurricane Classic in Silver, Gold, Bronze and Rosé, are hand-painted in metallic colours which gives the lamp a vibrant and very special transparent glow in lit conditions. Hurricane Classic White are made in opaline glass. They give a warm and soft light when they light in the dark.

Every piece is one-of-a-kind with its own unique variations, creating the most beautiful light possible. The signature fire polished edge gives the lamp its quality trademark.

## CRYSTAL COLLECTION

Magnificently cut by skilled craftsmen using Bohemian crystal, this lamp illuminates your home with artful brilliance. The reflection from the shards creates a truly unique light.

Mix it with the other sizes and colours to create a bespoke feel to your home.

## SODA COLLECTION

Hurricane Soda is created by using an ancient technique employed by traditional craftsman of adding sodium carbonate during the manufacturing process. This enables bubbles to appear, like magic, inside the glass.

Each piece is entirely unique in its appearance, some with many bubbles and some with just a few, forming a distinctive pattern in each lamp.

## BOULE COLLECTION

The optic bubbles in Hurricane Boule create a shimmering light with a cool 70's vibe. Available in four colours; Clear, Amber, Green and Smokey Blue, they will add interest to any home.

The bubbles, created in a cast-iron mold, gives each Hurricane Boule its own unique pattern and luxuriously weighty feel.

## BOULE PERFUMED CANDLE

The Hurricane Boule Perfumed Candle is truly a Boule with benefits. The fragrances Night Fever and Morning Glory are created by one of the best perfume noses in the world.

The candle is made with premium quality Eco Soy wax and when the candle has burned out, wash the inside with liquid soap and your lantern lives a second life. Morning Glory becomes a beautiful white Hurricane Boule lamp and Night Fever becomes a stunning black Hurricane Boule vase.

Voilà - your benefits right there!
