MODERN AMERICAN GLAMOUR

Come See What's

in Jonathan's World.

FRESH is the *mot du jour*.

Spring is the season of rebirth and optimism, like a lemon sorbet for the soul. During the past year my team and I huddled and noodled and plotted and potted in order to bring you the life enhancing designs you need to create a *refreshtastic* abode.

From the timeless chic of our new Rondo chair and Ford sofa to the exuberance of our new Helsinki dinnerware and beaded parrots, our new catalog has everything you need to take your *décor* to 11.

Burst out of your cocoon and splash into our spring offerings!

XOX,

*Jonathan Adler*

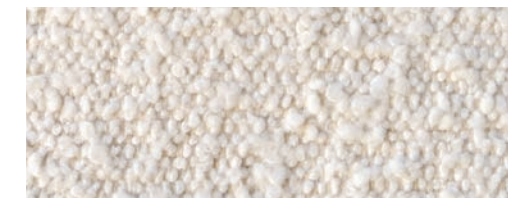

# Reed the Room

The modern update on classic French 50s rattan you've been waiting for. Our exquisitely crafted Riviera collection evokes the grand global glamour of its sun-drenched namesake.

Crafted from natural reeds which are soaked in water and then coiled by skilled craftsmen and stained to a warm finish. Topped with back-painted glass in sea-inspired celadon, our Riviera tables feel like a splash in the Mediterranean.

Thick cushions covered in oatmeal bouclé—perfect for collapsing into a reverie after a long day of jet set hijinks.
