COLLECTIONS 2025

FURNITURE
& LIGHTING

Are you mad for modern? Are you totally traditional?
Or are you, like me, a little bit of both? I've got good
news: our furniture and lighting collections will find you
wherever you are on the style spectrum.

Light up your life with our Versailles lamps and
chandeliers, our twist on French neoclassicism. Sink
into our deep and divine Pompidou collection and
transport yourself to a groovy gallerist's Tribeca loft.

Bachelor pad? All Bond everything, and why not
throw in a swanky Pierre chair.

Socialite's lair? Try a glamorous Rider desk topped
with a sparkling Globo lamp.

Want a place for your free-range kids and pets that's
also mega chic? Say hi to our family friendly Caprice
dining chairs and classic Lampert sofa in Brussels
Charcoal velvet.

Perfect proportions, stately style and, always, a
focus on function. We've got the goods to make
you even more... YOU!
